

Celtic Junction: COVID Policy (8/20)

MASKS ARE REQUIRED IN OUR FACILITY

At Celtic Junction, our top priority is safety. We are closely monitoring the evolving coronavirus/COVID-19 situation. We will continue to follow Minnesota Department of Health guidelines and will update this notice as new information becomes available to us via: [WHO](#), [CDC](#), [Canadian Public Health](#), and the [State Health Department](#):

- **EVENTS:** All indoor events have been cancelled for the time being. Watch www.celticjunction.org for updates on outdoor concerts and future announcements.
- **CLASSES:** All Irish College of Minnesota classes are being held online-only at <https://celticjunction.org/college>
- **LIBRARY:** The Eoin McKiernan Library space is closed to the public for the time being. All events, archives and collections are available online, and pickup/ library hours are by appointment only at <https://celticjunction.org/library>
- **OUTREACH:** All outreach programs are online. For more information please visit CJAC's [FaceBook](#) page, [Instagram](#), or the website outreach page at <https://celticjunction.org/outreach>

Organizations residing at or renting from the building include [Center for Irish Music](#), [O'Shea Irish Dance](#), [Irish Fair of Minnesota](#), & [Keane Sense of Rhythm](#). Organizations will be updating their own sites regarding their policies, lessons, and cancellations. All organizations are expected to follow [CJ Studio Usage](#) and [Bathroom Protocol](#)

CJ will be closed to the public and will maintain minimal business activities within common areas. In addition to our normal daily cleaning practices, Celtic Junction will:

- Increase cleaning protocols, including more frequent wiping and disinfecting of touch points (door handles, elevator buttons, handrails, restrooms, and sinks)
- Meet and exceed standard health practices including masks and social distancing

How else can you protect yourself? Best practices to help prevent the spread of respiratory viruses include:

- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.
- Avoid touching your eyes, nose and mouth with unwashed hands.
- Avoid close contact with people who are sick.
- Stay home when you are sick or suspect you may have been exposed.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.

Thank you for helping us to keep our community safe and healthy,

Celtic Junction
